Independent Auditor's Report

To the Board of Directors
America's Kids Belong, Inc. and Subsidiaries

We have audited the accompanying consolidated financial statements of America's Kids Belong, Inc. and Subsidiaries (the "Organization"), which comprise the consolidated statement of financial position as of December 31, 2020 and 2019 and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of America's Kids Belong, Inc. and Subsidiaries as of December 31, 2020 and 2019 and the changes in net assets, functional expenses, and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Note 2 - Significant Accounting Policies

Principles of Consolidation

The consolidated financial statements include the accounts of America's Kids Belong, Oklahoma's Kids Belong, and Tennessee Kids Belong (collectively, the "Organization"). All intercompany accounts and transactions have been eliminated in consolidation.

Basis of Presentation

The consolidated financial statements of the Organization have been prepared on the basis of generally accepted accounting principles (GAAP). The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect amounts reported in the consolidated financial statements. Actual results could differ from those estimates.

Classification of Net Assets

Net assets of the Organization are classified based on the presence or absence of donor-imposed restrictions.

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions or for which the donor-imposed restrictions have expired or been fulfilled. Net assets in this category may be expended for any purpose in performing the primary objectives of the Organization.

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

Note 2 - Significant Accounting Policies (Continued)

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, where the donor has stipulated the funds be maintained in perpetuity. The Organization does not currently have net assets to be maintained in perpetuity.

Cash

For the years ended December 31, 2020 and 2019, the Organization periodically had cash in excess of federally insured limits.

Promises to Give

Promises to give are recognized as support and revenue when the donor makes a promise to give that is, in substance, unconditional. Conditional promises to give are recognized only when the related conditions are met and the promises become unconditional.

Promises to give that are expected to be collected within one year are recorded at their net realizable value. Promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows.

The allowance method is used to determine uncollectible, unconditional promises to give. The allowance is based on management's analysis of specific promises to give. As of December 31, 2020 and 2019, there were no allowances on promises to give.

Property and Equipment

Property and equipment acquired by the Organization are recorded at cost. Donated fixed assets are capitalized at fair value at the date of donation. Depreciation is provided utilizing the straight-line method based upon the estimated useful lives of the assets, which are approximately five years. The Organization does not depreciate land.

Contributions and Grants

Unconditional promises to give cash and other assets to the Organization are reported at fair value on the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value on the date the gift becomes unconditional or is received. The gifts are reported as contributions with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities and changes in net assets as net assets released from restrictions.

Contributions without donor-imposed restrictions and contributions with donor-imposed time or purpose restrictions that are met in the period in which the gift is received are both reported as contributions without donor restrictions.

Major Donors

Contributions and grants are predominantly from foundations, businesses, and individuals in the United States. For the year ended December 31, 2020, no donor made up more than 10 percent of total contributions and grants. For the year ended December 31, 2019, two donors made up 24 percent of total contributions and grants. For the years ended December 31, 2020 and 2019, two donors made up 100 percent and one donor made up 100 percent, respectively, of total promises to give.

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

Note 2 - Significant Accounting Policies (Continued)

In-kind Contributions

Goods

In-kind contributions of goods are recorded at fair value on the date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as assets with restrictions. In the absence of such stipulations, contributions of goods are recorded as assets without restrictions.

Services

The Organization pays for most services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific programs and activities. No amounts have been reflected in the accompanying consolidated financial statements for volunteers' donated services unless they meet the criteria of recognition under generally accepted accounting principles.

Functional Allocation of Expenses

Expenses incurred directly for a program are charged to such program. Certain costs have been allocated between program and support services on several bases and estimates. Salaries, taxes, and benefits have been allocated based on time and effort. Other expenses are generally charged directly to the underlying purpose and do not require allocation. Although the methods of allocation used are considered appropriate, other methods could be used that would produce different amounts.

Income Taxes

The Organization is a not-for-profit corporation and is exempt from tax under the provisions of Internal Revenue Code Section 501(c)(3).

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Upcoming Accounting Pronouncement

In September 2020, the Financial Accounting Standards Board (FASB) issued ASU No. 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets.* The ASU requires separate presentation and enhanced disclosures of contributed nonfinancial assets (in-kind donations). The new guidance will be effective for the Organization's year ending December 31, 2022 and will be applied using a retrospective basis.

Subsequent Events

The consolidated financial statements and related disclosures include evaluation of events up through and including June 23, 2021, which is the date the consolidated financial statements were available to be issued.

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

Note 3 - Liquidity

The Organization has \$1,215,527 and \$634,564 of financial assets available within one year of December 31, 2020 and 2019 to meet cash needs for general expenditure consisting of cash of \$1,170,846 and \$630,913 and promises to give of \$44,681 and \$3,651, respectively. None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the consolidated statement of financial position date. The promises to give are subject to implied time restrictions but are expected to be collected within one year. As of December 31, 2020 and 2019, cash of \$220,508 and \$75,387, respectively, is unavailable for general expenditure, as it has been received for specific purposes and is subject to donor restrictions (see Note 6).

The Organization has a goal to maintain cash on hand to meet 45 days of normal operating expenses, which are, on average, approximately \$300,000 and \$225,000 at December 31, 2020 and 2019, respectively.

Note 4 - Property and Equipment

Total	41,201	41,201
Accumulated depreciation	 36,601	36,601
Net property and equipment	\$ 4,600 \$	4,600

Depreciation expense for the years ended December 31, 2020 and 2019 was \$0 and \$5,134, respectively.

Note 5 - Paycheck Protection Program Loans

During the year ended December 31, 2020, America's Kids Belong, Inc. and its subsidiary, Tennessee Kids Belong, Inc. received Paycheck Protection Program (PPP) loans in the amounts of \$157,200 and \$29,786, respectively. The PPP loan program was created under the Coronavirus Aid, Relief, and Economic Security (CARES) Act and is administered by the Small Business Administration (SBA). Under the terms of the program, the loan may be fully or partially forgiven if the loan proceeds are spent on qualifying expenses and if staffing level and salary maintenance requirements are met. The Organization may use the funds on qualifying expenses over a covered period of up to 24 weeks. At the conclusion of the covered period, any balance that is not forgiven by the SBA will be repaid over a period of two years, with interest accruing at a rate of 1.00 percent and monthly payments of principal and interest beginning 10 months after the conclusion of the covered period. Based on the loan amount, irrespective of any potential forgiveness that may be granted in the future, monthly principal payments would be approximately \$17,000 during the repayment period.

Any request for forgiveness is subject to review and approval by the lender and SBA, including review of qualifying expenditures and staffing and salary levels.

Subsequent to December 31, 2020, America's Kids Belong applied for and received notification of forgiveness of the entire loan balance from the SBA. The amount of the loan forgiven will be recorded as cancellation of debt income in 2021.

Prior to December 31, 2020, Tennessee Kids Belong, Inc. applied for and received notification of forgiveness of the loan from the SBA. Loan forgiveness in the amount of \$29,786 has been recorded as contributions and grants on the consolidated statement of activities and changes in net assets.

The loan was issued pursuant to the Coronavirus Aid, Relief, and Economic Security Act's Paycheck Protection Program, as described above. The loan structure required Tennessee Kids Belong, Inc. to certify certain statements that permitted it to qualify for the loan provides loan forgiveness for a portion up to all of the borrowed amount if it uses the loan proceeds for the permitted loan purpose described in the loan agreement; the portion not forgiven will require Tennessee Kids Belong to pay back this amount in full under equal monthly principal installment payments beginning 10 months after the conclusion of the covered period, with interest at 1.00 percent. Tennessee Kids Belong, Inc. has the right to prepay any amount outstanding at any time without penalty.
